

Tony Cheeseman Foundation Exhibition & Royal Docks Consultation

Join the Docks:

The Royal Docks consultation programme has now launched

Here's how you can get involved...

As London's only Enterprise Zone and one of London's Opportunity Areas, The Royal Docks and surrounding area is on an exciting journey. Several plans are in development to ensure growth in this area benefits local people, the economy and environment.

It is important that local people's views sit at the heart of these plans. Throughout August and September we will be popping up at events and activities across the area to ensure that everyone is able to have their say. From events at local libraries, shopping centres, community hubs and youth facilities, you'll be able to find us across the area.

Please pop along to one of our events and help us spread the word to make sure everyone gets to have their say!

A full list of events and further information can be found here:
www.royaldocks.london/consultation
